Dear Valued Customer:

Dimoco Manufacturing Company was founded in 1968 with the sole purpose of providing you with another source of obtaining both quality and reasonably priced replacement parts for your equipment. Since that time we have been committed to serving our growing customer base with high quality, low-cost replacement workholder clamps and clamp part accessories for the Amada, Wiedemann, Strippit, Finn-Power, DiAcro and Behrens NC Punch Presses.

All of our parts are manufactured in our plant, which is located in the heart of the Midwest. Because we do make and stock all of our parts, we are able to ship your orders usually the same day it is received. As always, the customer's needs dictate our inventories. This is the very reason that we are constantly expanding our product lines and improving our product. If you are not able to locate an item in our catalog, do not hesitate to inquire of the availability.

With these parts we offer you a way to prolong the life of your equipment, without having to pay such high prices for replacement parts. Proper maintenance coupled with correct timing is a combination needed to secure longevity of your equipment.

To speak to our friendly sales and customer service staff, call TOLL-FREE 800.524.3020. Also you may visit us at: www.Dimoco.net.
